

## Class Information

Learning Logs—Homework is an ideal opportunity for your child to consolidate learning in school and begin to take responsibility for self-directed learning. Please discuss homework set each week and encourage your child to complete it to their best ability.

Home/School Journal—We now have a vastly improved book, newspaper and magazine selection both in class and the main library. Although your child is now an able reader, it still benefits them greatly to read with an older sibling or adult to support pronunciation and discuss the content that has been read. Please ensure your child reads every day and completes their Home School Journal.

PE— We have scheduled PE on Friday afternoons. It is beneficial for your child to have their PE kit in school everyday. Have you seen our latest offering of before and after school clubs to promote a range of physical activities? Please ensure all clothing is clearly labelled and provide suitable footwear.

In order to keep work coming to and from school in good condition, we request that all children use a book bag or some other type of bag to carry their work in. We would also like all children to have a water bottle in school everyday.
