

Welcome back after the Easter break, I hope your children all had a great time.

Wow, where has this year gone? We are now in the final big term of the year and once again Year 1 aspirations will increase in order to support a smooth transition into Year 2, and I am sure that you will continue to support us in developing your child's ambitions as they become even more curious and independent.

Class Information

Stay and Read will continue to happen every **Wednesday** so we look forward to seeing as many of you in class as possible.

PE Days: We still have outdoor PE on Tuesday and indoor PE on a Thursday, so please ensure that your child's correct P.E. kit is in school. This includes appropriate footwear and tracksuit bottoms.

At home

It is important that your child reads 5 times a week. Books are to be taken home and returned to school on a daily basis. The children are to keep a record of their reading in the journal provided, so please date and initial when you have heard them read.

Learning logs and spellings will continue to be sent home on Fridays and will need to be back by the following Wednesday. I hope that you will continue to support your children in completing these tasks as we all really enjoy celebrating them and voting for the best one.

As we come closer to the phonics screening which was mentioned during Parents Evenings, please support your children with practising their spellings and the reading and writing of sounds as much as possible.

Websites to support this include:

Many thanks,
