

Year 5 Pol-Ed Lessons

Curriculum Road Map

Strand one of the Pol-Ed curriculum for Year 5 focuses on strengthening pupils' ability to manage influence, set boundaries and stay safe online and offline. As their independence grows, strand two encourages pupils to think their online behaviour, risky situations and substances in an age appropriate way. Through strand three, they explore identity, the emotional changes linked to puberty and how personal choices affect wellbeing. This supports resilience, informed decision making and confidence during a period of significant change.
